STAINED GLASS COLORING BOOK

Jeff A. Menges

Dover Publications, Inc.
Mineola, New York

The ultimate collection of classic characters from your favorite tales of horror, this eerie stained glass coloring book includes a ghost, zombie, Frankenstein's monster, the Headless Horseman, and more! Whether you're celebrating Halloween, or are simply a scary story enthusiast, just add color to each creepy creature, and then hold your completed page up to a light source for a spine-chilling, stained glass glow!

You can color the illustrations in this book with crayon, felt-tip pen, or acrylic, watercolor, tempera, or oil paint. If you mix your coloring methods you will get a more interesting effect. You can color one side or both to produce rich combinations. If you color only one side, face the colored side outdoors to produce a crisper outline.
